

## How to reach us

### From Washington D.C.:

Take the Memorial Bridge or 14th Street Bridge to George Washington Memorial Parkway.

Head south on George Washington Memorial Parkway, past the Ronald Reagan-Washington National Airport.

As you enter Alexandria, George Washington Memorial Parkway becomes Washington Street.

Turn left onto King St (Route 7), travelling eastbound...and pick up **local directions**.

### From Beltway (I-495/I-95):

Take the Route 1 exit (becomes Patrick St), travelling North.

Turn right onto King St (Route 7), travelling eastbound...and pick up **local directions**.

## How to reach us

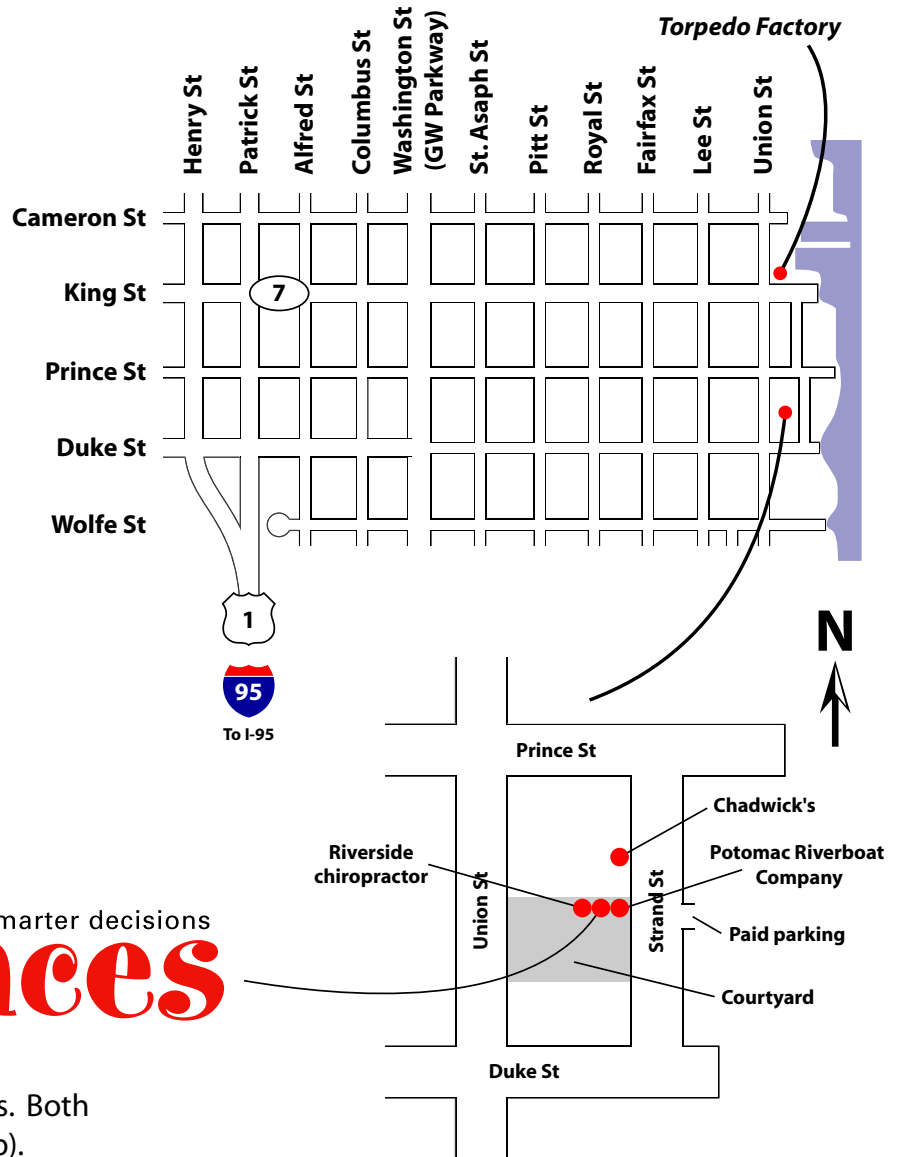

### Local directions

Travel down King St towards the waterfront, turning right into Union St.

After 1 1/2 blocks, turn into "The Strand" courtyard on your left. Idea Sciences' designated parking bays are halfway down, on the left. There is paid parking, if required.

Idea Sciences' offices are on the same side (on your left as you face the water), between Riverside chiropractors and The Potomac Riverboat Company.

Enter through the door displaying our logo and climb the stairs. Our offices are at the top.

**Lost?** Ask for The Torpedo Factory or Chadwick's. Both are local landmarks close to our offices (see map).
